## Woolmore Primary School awarded Gold Club status for exceptional educational achievements

We have been awarded Gold Club status under a scheme set up by the Mayor of London Boris Johnson to recognise exceptional schools in the capital. The Gold Club is part of the Mayor's drive to help drive up standards and raise attainment for all schoolchildren wherever they live in the capital and regardless of background. Naturally, we all feel very proud. Well done everyone!

## Woolmore Exhibition

To celebrate and share our learning for our whole school topic 'Woolmore School and the East End of London' we will be holding a special exhibition on 4 and 5 of December. Parents, governors and friends are invited to join us to say farewell to the old school.

## Nursery Outreach programme

Since September we have been running a successful outreach nursery in various locations: The Idea Store, Chrisp Street children's centre and a community hall on the Robin Hood Estate. This programme has been designed to impact on school readiness for the children and to support parents. All the feedback tells us that it is going very well.

To find out more about what has been happening visit our website and come in to see the display in the entrance hall.

## Kilimanjaro Week

Tara Kaur, our school business manager, has been an intrepid explorer and climbed Mount Kilimanjaro. This is an amazing achievement so a big well done to Tara. Tara was also raising money for the charity 'When you Wish upon a Star' a children's charity that makes wishes come true for very ill children. At Woolmore we raised over £1200 through selling cakes, a gift sale, a raffle and a non-uniform day. Thank you to everyone for all your support and contributions.

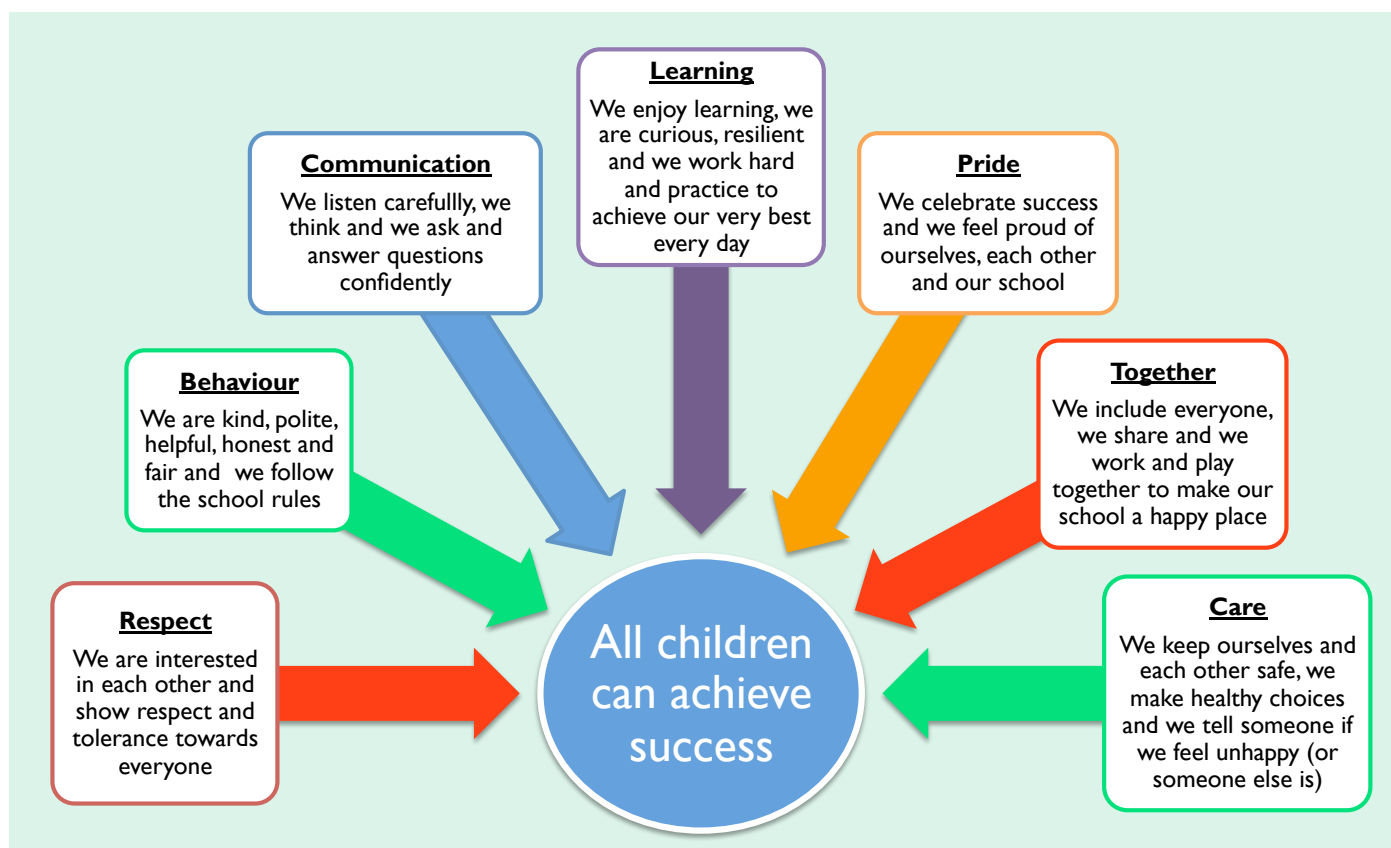

**Can you answer these questions?** (answers on next page)

1. In which country is Mount Kilimanjaro?
2. Which continent is it in?
