

# WOOLMORE SCHOOL: THE FINAL DROP-IN

---

Friday 30<sup>th</sup> January 2015  
2.00-5.00pm

---

## A change of plan

We were meant to move into our new school in January 2015...but the new school is not ready yet...so we will be in our old school until half term.

## The good news

We can have another opportunity for past pupils, teachers and friends of Woolmore to come and visit their old school. Hooray!

## Come and visit us!

### What will be happening?

- **Tours of the school**
- **Look at photos** and archive books from across the Woolmore years
- **Meet and talk** to some of the staff and governors who have been here for many years (and the new ones too!)
- **Share some of your memories** with us – write them down and be part of the Woolmore Memory Archive
- **Have a cup of tea** and a piece of cake

Please join us and share in this historic occasion
