

Important Safeguarding Update for Parents

Woolmore
Primary School

Keeping our children safe at the beginning and the end of the day

To make sure that all our Woolmore pupils are safe at the beginning and end of the school day, here is a reminder of our dropping-off and collection policy:

If you drive your child/children to school

- Park your car in a safe place.
- Bring your child/children into the school playground
- **DO NOT** drop children off and let them walk alone
- **DO NOT** stop your car in the middle of the street
- This is dangerous and inconsiderate behaviour

If you walk your child/children to school

- You must walk with your child/children, cross the road safely and bring them into the playground.
- **DO NOT** let them walk along the street without you
- The school **cannot** be responsible for your child until he/she is in the playground

Times

- Breakfast Clubs are from 8.15-8.45
- The playground gate is opened at 8.45am
- The morning bell goes at 9.00
- The school day finishes at 3.30
- Clubs finish at 4.30
- Please do not be late. Repeated lateness is followed up with Emdad Rahman, our Attendance Welfare Officer

In summary: bringing your child/children to school means bringing them into the playground.

When parents and the school work together to keep our children safe it sets a very good example to our pupils and will help them to grow up to be responsible citizens.

Thank you

Ms Argent
