

## Our Year 5/6 Girls' football tournament

Reporter: Salma Abdi

Just before half term there was a girls' football tournament at Langdon Park. To start with, the Woolmore team began by warming up. It was a time of great nerves and excitement for the team as they were waiting to compete. There were 3 different teams to play against – the first was Bygrove Primary school.

As the wait was over, the match began. Everyone was playing better than in previous years due to extra pre-match practise with Wesley, our new Badu sports coach. Some amazing passes were made by a number of people: Shubaita, Morium and Shadia. Shadia made a spectacular blast to Nayyirah. In the first game it was a nil-nil draw.

Shadia making a spectacular blast to Nayyirah against Bygrove.

In the second game, Samira H (year 5) made an amazing save. She then went on to make another amazing save. The final score was 1-0 to St Saviours.

In the last game against Lansbury Lawrence the girls were putting good pressure on them. They had a good chance of the ball getting in but it didn't. Nayyirah made a good pass but it was the girls' third game in a row so they were really tired. They didn't give up though even when Lansbury Lawrence scored the winning goal.
