## Summer Notebooks@Woolmore

This week all children at Woolmore will be given a notebook and pencil for writing in over the holiday. It is up to the children what they write about (stories, poems, journal, diary, information, sport, memories, Woolmore, drawing and so on). Thank you for supporting your child and we look forward to seeing their notebooks in September.

## Farewells and Welcomes

Some of our colleagues are leaving this week. As always, people's lives take them in all sorts of directions, and we wish our colleagues well in whatever the next stage of their journey is.

We want to say a good-bye and thank you to two colleagues who started life at Woolmore as Teaching Assistants and then trained to become teachers. Both have given great loyalty to Woolmore. Thank you, Ryan, for all the support you have given children, the gardening, the drama clubs and your great energy from your many years as a TA and a teacher. Shanola visited for just a day a few years ago and, after a conversation, she decided to leave her job and become a TA. It wasn't long before she decided to do her teacher training. Shanola leaves us to teach abroad.

We also say good-bye to Paula, one of our HLTAs who has done amazing work over the years to set up and lead in Woodlands and our inclusion team. We also say thank you and farewell to: Yasmin, Anisha, Meg and Ellena. In September we welcome some new colleagues to the Woolmore Team, some of whom you will see on the September class list in this newsletter.

### THANK YOU EVERYONE

And finally, I want to thank my amazing colleagues, the wonderful children, the fabulous families, the supportive governors and the very many people who have worked incredibly hard to do what it takes to make Woolmore a great school. Once again, we have shown that, together, everything is possible.

Now it's time for us all to have a well-deserved holiday.

I look forward to seeing everyone in September for another great year.

Thank you  
Ms Argent
