Dear Parents and Carers,

We would like to invite you to a Welcome meeting for your child's new year group. This will be an opportunity for you to see and hear the teaching team in the year group talk about important parts of your child's school day and learning. The meeting will include information about key routines at school, expectations for the year group, priorities for learning at home and in school and how we can work together in partnership to help your child have an enjoyable and successful year with us.
