May 2025: Summer dates

Message from the Headteacher

Dear Parents,

Here we are, almost at the end of another half term with just one more to go before the summer holidays. The days have been jam-packed with lots of great learning, trips and Year 6 have taken their KS2 SATs.

I want to thank you all for your support in all we do from ensuring that your children come to school (almost) every day, helping them find space and time to read every day (that's the Woolmore Way), coming on trips and having important conversations with us.

Next half-term we are looking forward to inviting parents into school to share our sports days, special assemblies and summer concerts. Please check the dates and arrangements in this newsletter to see what is happening.

In the last week of term, we will be sending home Annual Reports with an opportunity for you to meet your child's teacher.

As always, if you need clarification or help on any aspect of our plans for this term, please call the office or speak to a member of staff in the playground.

Ms Argent, Headteacher

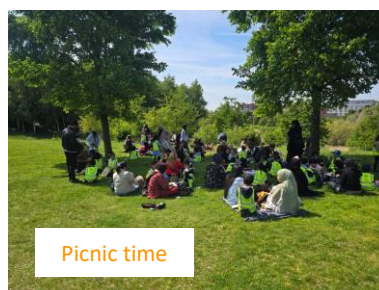

Parent governor opportunity

We have a vacancy for a parent governor. If you think you might be interested in this role that can support the school and make a difference to all children, please give your name to the office before the 6th June. The clerk to the Governing board will send further information to prospective parent governors.

Looking after our area

I know that many families in the community have been enjoying the newly landscaped areas on the new estate opposite. It has been drawn to my attention that some people are sometimes not looking after the area and are leaving litter. At Woolmore our values of **Respect**, **Care** and **Pride** ensure that our 'new' school is still in a beautiful condition after 11 years. We encourage this to be the case beyond the school too.
