

## Welcome to the Nursery Outreach page.

We have had a lovely start to the school year and we have enjoyed welcoming lots of new families to Woolmore.

Our topic this term is 'Ourselves'. We will be learning how we are similar to our friends and what makes us unique.

### Week 1

It has been a very busy week in Nursery as we have welcomed 22 new children. We have all really enjoyed meeting the new children. During the week we have been learning our friends' names and talking about the rules and routines in our Nursery.

Nursery helping each other do good sitting!

We really enjoy reading books at the Idea Store.

## Week 2

This week we have been learning about being a good friend and how to share things with our friends in Nursery. We have also enjoyed counting. We can count all the way up to 10!

Nursery loved counting up to 10 like a rocket!

We have also been interested in different coloured lights.

### Week 3

This week we have been learning about our local community. We went on a walk around Robin Hood Gardens. We saw our new school!

We have also been practising how to do good tidying up. We are such good helpers!

## Week 4

This week we have been learning about Mount Kilimanjaro. Our School's Business manager, Tara, is going to climb the mountain for charity. We built our own mountains and helped Tara to climb all the way to the top!

## Week 5

This week we went on our first trip to the London Museum in Docklands. We travelled on the DLR and had a look at the boats as we walked to the Museum.

We really enjoyed this trip, and so did our parents!

We learnt about the history of the London's Docks. Have a look at what we have discovered through play.

Look at us on the DLR!

## Week 6

This week we have been celebrating Eid with our friends and families. We all shared different kinds of food and spoke about the importance of Eid to Muslims. We all dressed up in our fancy Eid outfits. Even our parents dressed up!

Look at us dancing with our ribbons!

Look at all of the delicious food we had!

*"The Eid party was very nice. All of the parents and children really enjoyed themselves." Avir's mum.*

In maths this week, we have been writing numbers.  
Look at Liyana's fantastic writing!

As part of our Nursery Outreach programme, we offer parents various workshops to help them prepare their children for Nursery. This week our parents attended a workshop on toilet training.
