

# New School News

18 May 2015

Woolmore  
Primary School

## OPEN EVENING

Thursday 21<sup>st</sup> May 2015

3.00-6.30pm

Parents and carers are invited to come along to the first Open Evening in our new school. This is an opportunity for you to:

- See your child's learning and talk to them about their work
- Speak to the class teacher about how your child is doing

### How it will work:

- Decide what time you want to visit. You may want to arrive at 3, or 3.30 or as late as 6. It depends what suits you.
- We will only be using the pink staircase, so the way in and out of the building will be through the playground. Please leave buggies outside.
- Please remember that you are responsible for your child/children when you are visiting the school. We cannot have children wandering around school without their parents.

### **We look forward to seeing all our parents on Thursday**

- Looking ahead: In July you will receive your child's Annual Report and have a meeting with their teacher to discuss achievement and progress.

### **Fundraising for Nepal**

There has been an amazing response to our fundraising to help the people in Nepal following the devastating earthquakes. Thank you to all our families who contributed so generously. In total we raised: **£1,024.89** – that's over £1000, an amount to be proud of. A special mention goes to **Banyan Tree** (Y1) and **Maple Tree** (Y2) classes who (between them) ran a marathon in the playground. This was a great idea and they managed to do it. Well done to the staff and children in these classes who raised **£215**.

### Website

Please check the school website regularly. It is full of useful information, dates and the latest Woolmore news – plus lots of photos of the new school and children learning. [www.woolmore.towerhamlets.sch.uk](http://www.woolmore.towerhamlets.sch.uk)

### Please remember:

- Next week is half term – a one-week holiday.
- We will see you all back on Monday 1 June.

### **Safety reminder – car drivers please take note**

If you drive your child to school you must park your car in a parking place and then walk your child into school. We have had some recent cases of children literally being dropped off in the middle of the road and then the adult driving off. This behaviour is dangerous and it is a very poor safeguarding example to set the children.

Thank you  
Ms Argent
