

# Woolmore News

March 2016

Woolmore  
Primary School

## OPEN EVENING

Wednesday 23<sup>rd</sup> March 2016

3.00-6.30pm

Parents and carers are invited to come along to our Open Evening

This is an opportunity for you to:

- See your child's learning and talk to them about their work
- Speak to the class teacher and other staff about how your child is doing
- Find out how you can support your child to be able to do their very best at school
- Look around the other classrooms and see what different age-groups are learning
- Drop in to an e-safety workshop with Hilary in the Computer room

How it will work:

- Please collect your child/children at **3.00pm** from the playground.
- Decide what time you want to visit. You may want to arrive at 3, or 3.30 or as late as 6. It depends what suits you.
- Please enter and exit through the early years gate. KS1 and KS2 classes can be accessed via the pink staircase. Early years can access the classrooms directly from the ground floor.
- Please leave buggies outside.
- Please remember that you are responsible for your child/children when you are visiting the school and they should remain with you at all times.

## SPORT RELIEF *Charity day*

Friday 18<sup>th</sup> March

This Friday is Sport Relief day when we will be getting fit, having fun and raising lots of money for charity. Here is just some of what will be happening:

- Friday is **Sporty Clothes Day** – yes, own clothes with a sporty dimension and please bring £1
- During the week children will be sampling new and slightly more unusual sports in their PE lessons– we are wondering what Wesley, our sports coach, has in store...
- On Thursday Y5 and Y6 will be attempting the 1000m Swimming Sport Relief Challenge – good luck in the swimming pool!
- On Friday Woolmore will run 100 miles – yes, really! Year 6 mathematicians have worked out how far we each need to run and we are going to be out on the Woolmore running track. Parents - please feel free to run a few laps for charity.
- The money we raise will help children in countries where there is no automatic free education. We watched a video in assembly about Champa from Dhaka, Bangladesh. Have a look here to see how our money can help others <https://www.sportrelief.com/about-meetchampa>

Please check the school website regularly [www.woolmore.towerhamlets.sch.uk](http://www.woolmore.towerhamlets.sch.uk)

You can now also follow us on Twitter – the link is on our website.

Thank you for your support
