## Welcome from the Headteacher

### Welcome to our first Newsletter of the Summer Term – where did the year go?

We have an exciting term planned, with plenty of School Trips out for several year groups – as well as events in school for parents to come and share with us.

A special "thank you" goes to our Year 2 children who have been taking their SATs tests this week. You have approached the tests with gusto and a real "can do" attitude, and you have made your teachers proud.

Good luck to Year 6 children, who will be taking Key Stage 2 SATs next week. Don't forget to have a good night's sleep before your test – and a good breakfast, at home or at our Breakfast Club.

Finally, a big thank you goes to all our parents who came to our Open Evening last month and completed our questionnaire. You can see the full results on our website. All your comments will be considered by our senior staff. We do appreciate you taking the time to give us feedback – and we are delighted that so many of you gave us a ringing endorsement and told us how much your children enjoy their time here at Woolmore. As we say so often – we couldn't do it without your support!
