- Go for a family walk in your local area and take the time to really notice the things around you?
- Why not try <u>yoga</u>?
- Have some family fun with <u>Disney Dance-</u> <u>Alongs</u>
- Get moving as a family with <u>Go Noodle!</u>

- Play board games like snakes and ladders, Trivial Pursuit, cards.
- Watch a film together you could have a film night with different members of the family choosing the film.
- Try cooking or baking together and then of course enjoying eating your delicious creations.
