Message from the Headteacher

Dear Parents and Carers,

This half term

It has been another successful half term with some amazing learning, exciting trips, Eid celebrations and some sports fixtures. You can enjoy photos of these experiences in this newsletter and on Twitter.

Curriculum for next half term

In PSHE we will be continuing to teach the statutory Health and Relationships curriculum informed by the parent consultation. The results of this and the policy remain on our website. As always, we will be communicating with parents in preparation for the KS2 puberty lessons and the agreed but new opt-in lesson for Year 4.

If you have any questions please approach Hannah Williams, our PSHE lead, who will make a time to talk through questions or curriculum content.

Welcome back parents – together again

In the final half term of the year we are looking forward to lots of learning and also returning to some opportunities to invite parents into school. It's been too long without you and we have missed you. We hope that many of you will be able to join us for our **sports days** and also our **end of year concerts**. We will send out these dates early next half-term.

Half-term week

I wish you all a restful and sunny week and bank holiday weekend. We look forward to seeing everyone for the final half term of the school year.

Best wishes,

Ms Argent
Headteacher

Festivals

- This year we have been very happy that more of our celebrations could be together. For Eid al-Fitr we enjoyed a holiday, assemblies, class gifts and parties. As always at Woolmore, whilst families don't all celebrate the same festivals at home, we can all enjoy a shared celebration in school, learning, understanding, and respecting the importance of a festival within our community and globally.
- The week after Eid, colleagues were delighted to be invited to a beautiful Eid lunch organised by members of staff who had celebrated Eid the previous week. This was thoughtful, generous, and delicious! It also demonstrates how amazing our colleagues are. Thank you!

Trips are back!

Trips have always been an important aspect of learning at Woolmore. Then the pandemic came, and we had to take a break.

We are very happy that we can now go out again. Trips support and enrich the curriculum giving our children shared experiences and learning that they love and remember.

Look out for more trips next term!

Our Y1 football teams played matches with another school

Sunday visit to the O2

School Ping

Fantastic news! 85% of our families have downloaded **SchoolPing** and are now receiving messages through this app. Thank you!

If you are wondering why you haven't received any text messages it could be that you don't have the app yet. Please call into the office and ask Lois to help you – she is our **SchoolPing** expert!

Y2 visited Deptford Creekside to explore London life in the 1600s
