Ramadan Mubarak

The Holy month of Ramadan has started. We wish peace and prosperity to all our Muslim families, colleagues and friends during this important time.

Ramadan is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community.

Happy Easter

Easter is the most important festival in the Christian calendar. It follows the period of Lent which is a 40 day season of prayer, fasting and charity leading up to Easter. It is also a time when people across the world enjoy Easter traditions including wearing Easter bonnets, decorating and eating Easter eggs.

Charity this term

The Woolmore School Community is amazing at many things. Something we really excel and feel proud of is the generosity of families and colleagues when it comes to supporting those in need.

This term we are proud to have supported the following charities and raised these amounts of money:

£1095.55 for the earthquakes in Turkey and Syria

£204.80 for Red Nose Day

£1818.82 to support Muna and Poplar SPLASH to help provide education for orphaned girls in Syhlet, Bangladesh.

We will keep you posted on the project in Bangladesh as Muna and the team will be there over Easter.

THANK YOU EVERYONE

Open days - the new style - what did you think?

We are delighted with the responses we have received from families about our new-style Open Days. It has been an absolute pleasure to welcome parents into our classrooms. Some of you have joined us in the mornings to be part of the start of the day and some of you have come to visit after school. I think everyone felt very proud to be part of sharing the learning #Togetherness

Here are some of the comments we have received from parents:

We loved being in the classroom...it is so nice to see where our children learn every day.

It was great to see my child's books – I can't believe how much progress my child has made.

A big thank you to all the teachers – we can see how hard they all work.

It was amazing! Thank you so much for organising this opportunity.

Here are some comments from the children:

My mum was so proud of all my learning.

It was really exciting to have my family in my classroom.

My dad couldn't believe I could write so much!

And from the teachers:

The children were so happy and proud to have members of their family in their classroom.

The parents were amazing – they joined in and were brilliant at looking at their children's learning.

I was delighted because everyone seemed really happy to be in the classroom. What a lovely day!

Thank you for coming to our Open Days and for your kind and supportive comments. We think this 'new-style' Open Day is definitely a keeper for Woolmore. Please let us know what you think.
