SCHOOLPING

Please make sure you have the SchoolPing app on your phone and to check it regularly for the latest news and messages.

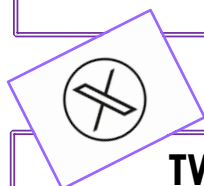

Please come to the office if you need some help with passwords or downloading messages.

WEBSITE

We are currently updating our website so please bear with us while we do this. There is still lots of current information on there – and more to come.

TWITTER / X

This has been a bit problematic for us this term, but it looks like we can use it again. Please follow us and see what we are up to.

We have been on Twitter since 2015 so scrolling through the years tells the story of Woolmore. We hope you enjoy the journey.

TALKING TOGETHER

Communication is at the heart of Woolmore as we grow and build relationships with parents and carers. When we work together as adults it is always in the best interests of the children both now and in the future. We are the role models.

Thank you to all the parents who recently attended their Learning Review with your child's teacher. You will see senior leaders in the playground each day. We also have Susan and Muna from the Family Services Team. Class teachers are generally in the playground at the end of the day. Please talk to us if you have a concern, a question or you want to tell us something. We will listen and have a conversation.
