Happy Easter

Easter is the most important festival in the Christian calendar. It follows the period of Lent which is a 40-day season of prayer, fasting and charity leading up to Easter. It is also a time when people across the world enjoy Easter traditions including wearing Easter bonnets and decorating and eating Easter eggs. After the holiday we come together for our Easter Assemblies.

Eid Mubarak

The Muslim festival of Eid al-Fitr is celebrated at the end of Ramadan – the holy month of fasting. We wish peace and prosperity to all our Muslim families, colleagues and friends. We welcome parents to our Eid Assemblies – please see the classes, dates and times in the chart below.

What does Eid mean?

Eid means: 'feast, festival, holiday'.

Eid al-Fitr means: 'festival of the breaking of the fast'.

Open Days – thank you for coming

We are delighted with the responses we have received from families about our Open Days. It has been an absolute pleasure to welcome parents and carers into our classrooms. Some of you joined us in the mornings to be part of the start of the day and some of you visited after school. It has been a special week when we can all feel proud to be part of sharing the learning of our amazing children #Togetherness. Thank you for coming to our Open Days and for your kind and supportive comments.

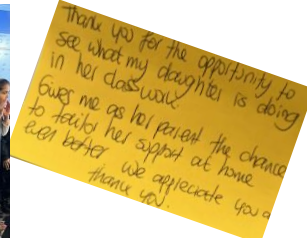

You Said

Some parents have said that they enjoyed coming into school so much and could they have more opportunities to do this.

We agree with you!

These opportunities are important for the children, parents/ carers and teachers. When we work together, we can provide the very best education.

We have already made the decision that our welcome meetings in the new school year will return to being coffee mornings held in school.

Thank you for your feedback.
