Our School Improvement Priorities

Priority 1: Reading

Read every day it's the Woolmore Way! It's also the National Year of Reading. More on this shortly!

Priority 2: Inclusion

We want all children to feel that they belong at Woolmore. Linked to our values 'Together' and 'Care', we include everyone and keep ourselves and each other safe. We are an anti-racist school. For children that need something a bit different, we adapt our teaching. This includes staff working with children with SEND and intervention teachers where appropriate.

Priority 3: Attendance

Good attendance is paramount to success. As a school we strive to achieve 96% attendance or above. The national expectation is 97% and we celebrate classes who achieve 100% with incentives!

What is my attendance?

How can I help?

How can I help?

At the same time, early childhood is a critical period - **around 90% of brain development happens before age five**. How children spend their time during these years has a lasting impact on their learning, behaviour, and wellbeing.

Key screen time recommendations

The new guidance offers simple, age-based advice to help parents feel more confident:

Under 2 years

- Avoid screen time where possible
- If used, focus only on **shared activities** that involve interaction, such as video calls or watching together

Ages 2 to 5

- Aim for **no more than one hour of screen time per day**
- Avoid screens:
 - During mealtimes
 - In the **hour before bedtime**, to support better sleep
