Our School Rules and Values

Our School Improvement Priorities

Priority 1: Reading

Read every day it's the Woolmore Way! It's also the National Year of Reading. More on this shortly.

Priority 2: Inclusion

We want all children to feel that they belong at Woolmore. Linked to our values 'Together' and 'Care', we include everyone and keep ourselves and each other safe. We are an anti-racist school. For children that need something a bit different, we adapt our teaching. This includes staff working with children with SEND and intervention teachers where appropriate.

Priority 3: Attendance

Good attendance is paramount to success. As a school we strive to achieve 96% attendance or above. The national expectation is 97% and we celebrate classes who achieve 100% with incentives!

Reading

Reading is a school priority.

Key Benefits of Reading

- Mental Stimulation
- Stress Reduction
- Vocabulary and Communication
- Better Focus
- Empathy and Understanding

Read everyday it's the Woolmore way!

- Reading records checked daily
- Books changed twice a week
- Reading for pleasure
- IDEA store

Reading in our timetable

"Togetherness is a word that sums up Woolmore."
Ofsted, September 2022

News

In July we said farewell and a very happy retirement to Ms Argent, our headteacher of more than 29 years. You can read all about it in our final newsletter of the year. Happy holidays everyone and see you in September.

Thank you for coming to support our upper KS2 sports day - lots of fun and a very welcome breeze

Year 2 SATS information

Since 2023, SATS are no longer mandatory. At Woolmore, we chose to continue these in the summer term to support our assessment picture at the end of the year. These results, alongside our own teacher judgements over the course of the year, are used to inform our end of year judgement. At the end of the year, we share whether your child is working towards, at or above the expected standard on your child's report.

Will my child receive test results?

If your child takes the optional end of KS1 tests, their school will decide if and how to share the results.

Your child's teachers can use the results, along with the work your child has done throughout the year, to help them understand how your child is progressing at the end of KS1 as they transition to KS2. Your child's school may choose to include the test results in your child's annual school report about their achievements and general performance, but it is not mandatory for schools to do so.

Online Safety

Communication

We'll share important messages by SchoolPing, email, letter and the school website. www.woolmore.towerhamlets.sch.uk

We'll also celebrate some of our special moments and learning through X (Twitter). @WoolmoreTweets

And finally...

All children can achieve success when we work in partnership.

We are always here to listen, understand, learn and support you.

Thank you for your support
